Well, sort of... It may only look a little different, but since you are reading this, the new Kansas Wing web-server is online!

There have been many changes and upgrades behind the scenes with many more to come so please bear with us while we continue to make changes.

Check out the new "Pictures" link on the main menu. When you login, you will be able to access a "User Menu" on the pictures page where you can upload your own CAP pictures!

Please email me at web.admin@kswg.cap.gov with any issues, broken links, or errors.
